ETWINNING WEEKS

Last days to upload your videos and vote for your favourite ones

Many eTwinners already uploaded their 'eTwinning movies' explaining us all why they love it! Which one is your favourite? You can help them to win the 5000€ prize!

On 17th of November we will close the possibility to upload video clips in the contest more than 1 week of November to vote on entries and support the ones you like.

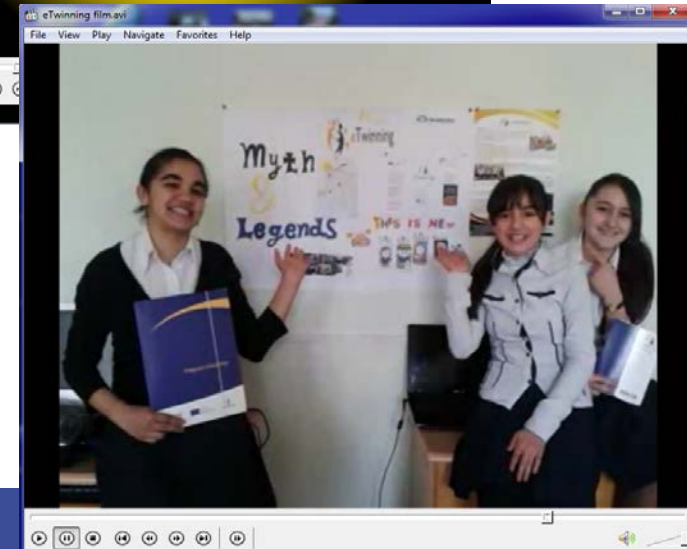

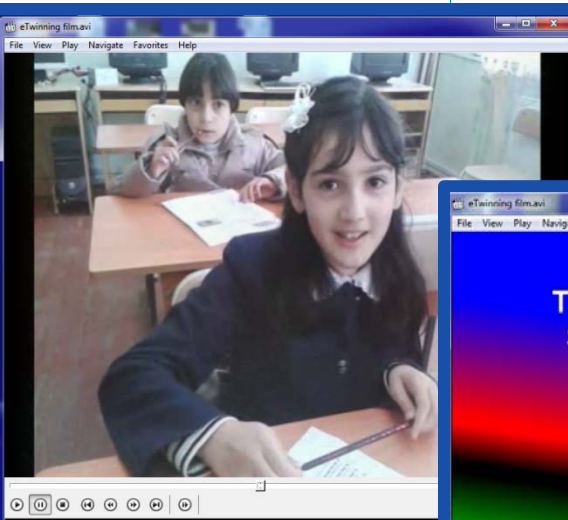

IMPORTANT! Users who abuse the messaging system as a way to request 'likes' or 'votes' is seen as spamming fellow eTwinners and is against eTwinning policy. It encourages to report this behavior. We will then investigate and take the appropriate action.
